Dear Ancy,

Congratulations on being selected as one of the first ten recipients of the Alan Mulally Leadership in Engineering Scholarship! This prestigious new scholarship program is designed to recognize ten outstanding engineering students around the globe for their academic achievement, leadership skills, and community engagement. As a recipient of this award, you will receive a \$10,000 scholarship and will also be connected with our Ford Blue Oval Scholars program – an online community of Ford scholarship recipients.

Ford Motor Company believes education is the cornerstone for a brighter future, and with this new award we hope to single out an elite group of future, global leaders in the engineering field. As a member of this important team, I encourage you to think about the impact you want to have as you begin your career. How can you help change the world? Dare to dream big! The world needs the talent and dedication that you and your fellow honorees bring to the table.

Congratulations and best of luck with your future endeavors!

Sincerely,

Alan Mulally
